What Will My Donation Fund?

Your donation to the Please, Take Your Seat campaign helps us continue to navigate the temporary shutdown caused by the pandemic. As we reopen, your contributions help fund mainstage productions and education outreach programs.

Will I Be Able to Choose a Specific Seat Location?

You will have an opportunity to choose your seat location based on the order in which we receive the reservations.

Will My Seat Location Match My Season Ticket Location?

There is not an exclusive relationship between the seats you sit in when you attend the shows and the seats you select to bear your name or that of a loved one. However, you may choose to name the seats in which you are currently subscribed if they have not already been reserved.

Will My Seat Plaque Be Permanent?

Yes, we are pleased to recognize your gift in perpetuity. In future, your neighbors, or children or grandchildren will be able to see that you played a part in creating a professional theatre in Ventura!
